

ABOUT

The Toronto Arab Film (TAF) is a non-for-profit dedicated to bringing films from, and about the Arab world, to Toronto audiences. TAF began because of a need to fill a void in film programming in Toronto, specifically a lack of films from the Arab egions and a desire to reinstate a tradition of going out to watch films communally.

MISSION

The Toronto Arab Film showcases the diversity of the Arab world and support emerging Arab filmmakers, while building connections between the Arab and non-Arab community.

VISION

To spearhead a significant, positive shift in the image of the Arab world among both Arab and non-Arab film audiences.

OUR AUDIENCE

Rain or shine, our audiences travel from ALL ACROSS the GREATER TORONTO AREA to experience films together.

Our demographic ranges across both ARAB and NON-ARAB SPEAKING COMMUNITIES and is MULTI-GENERATIONAL.

We've CO-PRESENTED with: TIFF, Hot Docs, European Film Festival, Regent Park Film Festival, Images Festival, Radio Canadawy, Khoury Conversations and many more.

Our initiatives have been SUPPORTED BY:
Toronto Arts Council, Arab Fund for Arts and
Culture, Telefilm Canada and Inspirit
